

**SUMMER 2021 @  
MUNCHKINS DAY  
NURSERY**

Welcome:

We would like to take this opportunity to welcome some new members to our team. Jennie, Ellie, Kirsten, and Mireille have settled in very well and are having lots of fun looking after the children in their groups. Jennifer and Ellie are both Early Years teachers and bring with them knowledge and experience to support our high standards of education to the children.

Congratulations:

We would like to wish Jasmine, our Deputy Manager, all the very best for her wedding this weekend to Richard. We are sure they will have an amazing day and we look forward to hearing all about it in the next week or so.

We must also announce the first 'Munchkins Wedding'! Robbie and Kirsty will be wed in August and first met whilst working here at Munchkins. We wish them too all the very best for their future together.

Can we also say congratulations to Sophie. After a turbulent couple of years which included lockdown, multiple trainer changes and exam booking errors we are proud that Sophie has now qualified as a Level 3 Nursery Nurse. Well done Sophie!

Nursery fees:

Please see new fee structure below for Sept 2021 – Aug 2022.

Dates for the diary:

21<sup>st</sup> July – Pre-school graduation 14:30

30<sup>th</sup> August – Nursery Closed Bank Holiday

5<sup>th</sup> November – Fireworks Evening and BBQ at Munchkins

Pre-school:

It is wonderful to announce that this year's Pre-School graduation will be taking place on Wednesday 21<sup>st</sup> July between 14:30 – 15:30pm. All the children receive a special certificate and parents get to celebrate and remember their children's time spent at Munchkins Pre-school. More information will follow and certain guidelines will still need to be met for this to happen but it is great we can hold one of our favourite days of the year with yourselves and the children.

We would like to take this opportunity to wish all our school leavers all the very best of luck in their new school and we are sure that they will all have lots of future success in whatever they do!

30 Hours funding:

For all the children that are moving to pre-school before September, we have recently sent out information regarding the '30 hours' funding. This let's you know how we offer it and how the invoicing will work. If you would like to find out if you will be eligible for this extended funding please go to [www.childcarechoices.gov.uk](http://www.childcarechoices.gov.uk) . If you have been successful and receive a code please ask Mandi for a form so that she can verify the code with the council. Please be aware that codes do need validating every 3 months.

Instagram:

Munchkins now has a dedicated Instagram page and we would love as many of you to follow us at: [munchkinsdaynurseryexeter](https://www.instagram.com/munchkinsdaynurseryexeter)
